### SO MANY STARS

Sergio Mendez/Alan & Marilyn Bergman

The dawn is filled with dreams  
So many dreams, which one is mine?  
One must be right for me.  
Which dream of all the dreams  
When there's a dream for every star?  
And there are oh, so many stars, so many stars.

The wind is filled with songs  
So many songs, which one is mine?  
One must be right for me.  
Which song of all the songs,  
When there's a song for every star?  
And there are oh, so many stars, so many stars.

Alone, the countless days  
The endless nights that I have searched  
So many eyes, so many hearts, so many smiles.

Which one to choose? Which way to go?  
How can I tell? How will I know?  
Out of oh, so many stars, so many stars.
